Contra Costa Children Hit by Polio

Children were the chief victims of polio during the past 12 months in Contra Costa County although several adult cases were hospitalized. Most of them are on the slow road back to recovery and all are being aided by Contra Costa Chapter, March of Dimes in the fight to regain the use of crippled limbs.

A big factor is the two Treatment Centers established by the March of Dimes at Walnut Creek and Richmond. In the top photo above, Mary Doyle, chief physio-therapist of Contra Costa Chapter, is giving an impromptu party for her little polio charges.

They are, left to right, Karen Fleming, Pittsburg; Mrs. Lawrence Wallace and her son, Jerry (both polio victims) of Clayton; Kenneth Stuckey, Antioch; Lois Wharton, Walnut Creek; Mrs. Doyle; Carol Bucher, Concord; Patricia Carrollo, Antioch; Andy Riva, Pittsburg; and Lawrence Lucas, 6 North Lane, Orinda.

Lower left is Bobby Lyles, 6 years old, left, and Susan Young, 3, both of Richmond. Both were stricken by polio during the Contra Costa epidemic of 1943. They are slowly recovering the use of stricken limbs through the March of Dimes.

In the lower right picture is little Ethel Mae Herring, age 3, the daughter of Mr. and Mrs. L. C. Herring of Richmond. The little child was stricken by infantile paralysis last October. Mrs. Doyle is showing Ethel Mae how to walk again with braces and diminutive crutches.

Moraga Woodland Association Elects Officers at Meeting Monday Nite

Nineteen members were present at the Moraga Woodlands Association meeting Monday night at the home of George Hartzell on Crestview Drive.

Officers for the coming year nominated and unanimously elected were Gilbert Earl, president; Harry Oliphant, vice president; Mrs. Harry Oliphant, secretary; and Roy Nason, treasurer. Appointed on the Board of Directors were Frank Silva, Jack Bowers, Oscar Giem and Mr. Tonkins. Membership chcairman selected was George Hartzell.

Future of power lines in the area was discussed and a committee consisting of Dr. Rogers, Dick Graffis and Gilbert Earl, was appointed to study the matter.

The zoning problem was discussed with the suggestion that the area be rezoned so that all lots would be one-half acre, rather than some sections requiring half-acre lots and others only one-quarter acre lots.

It was announced that Valley View Drive will be repaired as soon as the power plant project is completed. Oak Drive and Crestview Drive will also be repaired in the immediate future.

The next meeting of the Association will take place at the school auditorium sometime in March, with meetings scheduled for every two months thereafter.

Mr. Veitch, Son Take Pack Trip

Peter Veitch and his son Tommy, 10, returned last Friday from a four-day back-packing trip across Antelope Valley, the western section of the Mohave Desert.

Carrying 25 pounds each, they trekked from Tehachapi to Elizabeth Lake, a distance of 50 miles, in four days. In one day they chalked up 18 miles. The Veitchs report it was a wonderful trip, except that it dropped to 25 degrees at night.

TRIP EAST

Bert A. Sullivan flew back to West Virginia on December 26 to meet his father, Mr. James E. Sullivan. They drove back home arriving last Sunday via the Southern route, just avoiding the storms and hurricanes.

'City Limits' Reach Orinda

A ten-foot Berkeley City Limits sign neatly stood in the front yard of Deputy Sheriff P. R. "Chief" Donaldson this week, and he lives only a stones throw from the Orinda Country Club. Could the Berkeley Chamber of Commerce be starting an expansion program in keeping with Los Angeles tactics?

Just to make sure that the big city couldn't make a permanent foothold in rural Orinda, Chief Donaldson notified the Berkeley police.

Now the "City Limits" sign is back where it belongs.

OPEN HOUSE

Miss Nancy Macomber of Minor Road held an open house on New Years Eve.

Jack Pedder May Oppose Cummings for Supervisor

BY POLITICUS

The backstage maneuverings on the local political stage in the coming production of "Who Will Run for Supervisor?" slowed down this week, as apparently the leading roles are going to John S. "Jack" Pedder vs. H. L. "Jack" Cummings, incumbent from Crockett.

Barring last minute changes, this will be the cast in what may become an interesting campaign for the Supervisor from this, the second district. The election is in June and is non-partisan.

Other aspirants reportedly eyeing the supervisor's seat in Martinez include Ray Van Tassell, of Danville, W. F. MacGregor and Al G. Snedeker, both of Lafayette.

PEDDER TO RUN

There's no doubt that Jack Pedder, of Lafayette and Orinda, will toss his hat in the ring to battle it out with Jack Cummings.

Pedder, an insurance broker, has served as president, secretary, and director of numerous clubs and organizations in Lafayette, Orinda and in the county. He is secretary-treasurer and organizer of the County Republican Assembly. In 1944, Pedder lost by 144 votes to Harold Sawallisch, the Republican nomination for State assemblyman, but carried Lafayette and Orinda by almost 3 to 1.

Pedder — or anyone else running from this immediate area — will probably build a campaign on the argument that this end of the district should be represented on the Board of Supervisors.

SENTIMENT SOLIDIFYING

Political observers in this section of the district have noted a definite solidifying of sentiment among local voters that the next supervisor should be a resident from this area.

On the other hand, there's an important group in Lafayette and Orinda who argue that Jack Cummings has done a fine job and has always gone to bat for this section whenever called upon. They assert that it is of little significance that he resides in Crockett, as long as he serves the entire district well.

Cummings, an electrical contractor, has been supervisor for a dozen years and never has been opposed for re-election. He has definitely stated that he would again ask re-election.

RUN FOR SHERIFF?

Rumors persist that Cummings will run for county sheriff. He doesn't deny this. But that election is still several years in the future and in the meanwhile he wants to continue serving on the Board of Supervisors.

Also ready to run, if given the proper support, is Ray Van Tassell, Danville sportsman, civic leader and active in Republican circles. Van Tassell has indicated, however, that he will not enter the race if Pedder becomes a candidate. Both are friends and have worked together in Republican campaigns and Van Tassell would doubtlessly support Pedder.

STRENGTH HERE

If both make the campaign, it would split the vote in this section and assure a Cummings victory, despite the fact that this end of the district has at least a thousand more votes than the Bay side. Political strategists point to the voting strength of the Orinda- Lafayette- Moraga- Danville- Alamo- San Ramon section as the key to the coming election.

Meanwhile, W. F. McGregor, Berkeley insurance broker and Lafayette property owner and leader, seriously considerd making the campaign but this week stated he had decided against it.

"I have enough headaches of my own," he said. "I decided that I didn't want to be jerked out of bed at night by someone demanding this or that for his area of the district."

Persistent rumors that Al G. Snedeker, former owner of the Lafayette-Orinda Boulevard News and a leader in Lafayette affairs, would run for supervisor have been squelched by Snedeker himself. He has emphatically denied he would enter the race.

UNDERGOES OPERATION

Mr. Robert Maddox of 255 La Espiral, is in the Herrick Memorial Hospital, where he underwent an operation on January 2. Dr. Feiler is the attending physician.

Date of Next Zoning Hearing Undetermined

Thomas Heaton, county planning technician, yesterday said that the next zoning hearing for Orinda would probably be held at the end of the month, during either the week of the 19th or the 26th.

Mr. Heaton indicated that the planning commission is awaiting some concrete action by Orinda organizations and property owners in expressing their opinions as to the needs of the community. Few meetings have been held so far to discuss zoning, it has been pointed out.

PLAN MEETING

Edgar Stewart, president of the Orinda Association, stated Monday that a meeting of persons interested in zoning would probably be held next week, although details had not yet been completed.

Observers report some agitation for a general meeting of the community to determine the zoning laws should be established.

Mr. Heaton disclosed that Hacienda Homes Inc. has written the Planning Commission a letter requesting that a minimum of 20,000 square feet be established for sites in Hacienda de la Orinda units 1 through 9 and Orinda Park Terrace and Lake Orinda Island.

NOW OVER 15,000

The letter states that for the most part homesites in these areas are now in excess of 15,000 square feet.

In the proposed zoning, presented at the first hearing, these areas were marked for 10,000 square feet lots.

One zoning conflict that is smoldering is whether or not a small shopping center should be allowed at Glorietta and Moraga Boulevard. Several lots in this section have not been included in deed restrictions.

First Drawings For New School Studied by Board

The Orinda School Board considered preliminary drawings by Jack Buchter for the new school to be built on Glorietta Blvd. at the meeting Monday night at the Orinda School.

The School Board is hoping that a six room structure plus kindergarten will be built from funds made available by the recently passed school bond issue. However funds may only be sufficient for six rooms. The Board has taken up two parcels of land and will take up two more shortly. A contour survey of the land for the school has been made.

Once drawings are approved by the Board, they will be sent to Sacramento for approval, John Stoffel, member of the School Board, said.

After the Bonds are sold in February, construction will get under way, possibly around March 1, Mr. Stoffel said.

The Board expects the school to be completed in time for the fall term.

Orinda Garbage Rates Raised

The Orinda Garbage and Refuse Disposal Service announced this week that due to "conditions beyond their control," they will be forced to raise prices 25 cents per month.

This raise in prices, effective February 1, applies only to the Monte Vista Tract and the area west of this tract.

SUBSCRIPTION

ONE YEAR, $2.50 ..... 6 MONTHS, $1.50

P. O. Box 806, Lafayette P. O. Box 147, Orinda

Entered as second-class matter June 17, 1943, at the post office at Lafayette, California, under the Act of March 3, 1879. Printed at 1 Moraga Road, Lafayette.

Let's All Join the Fight!

Each year polio strikes with deadly effect. Each year this mysterious crippling disease attacks thousands of children — killing, maiming, depriving helpless little ones of their right to a normal childhood.

Last year was no exception.

The scourge of polio struck again, claiming approximately 10,000 victims. This was the fifth consecutive year of unusually high incidence — five years in which roughly 80,000 persons have been infected with the disease. Thousands of these will require care and treatment for months — even years — to come.

What are we doing to stem this terrible tide? What CAN we do?

LET'S ALL DO OUR SHARE

The MARCH OF DIMES will be held in Lafayette and Orinda and throughout the nation January 14 through 31. It is our opportunity to engage actively in the fight against infantile paralysis. This is the only annual fund-raising appeal of the National Foundation for Infantile Paralysis, which in 1948 marks a decade of service in fighting polio with the dimes and dollars raised through the MARCH OF DIMES.

The National Foundation is your army, working in the field, fighting epidemics, bringing aid to the stricken, supplying equipment; doctors, nurses, physical therapists and other polio specialists. It assures the best available care and treatment for all, regardless of race or religion. It supports intensive research to find the cause of polio and eliminate it as a threat to our homes and our children.

OUR GUARANTEE AGAINST THE KILLER

The MARCH OF DIMES has become an American institution. It is our guarantee that everything possible will be done to repulse the savage onslaught of a mysterious killer.

Each family in Orinda and Lafayette will receive an envelope by mail in which contributions of dimes or dollars may be made. Then, too cans will be placed in the stores of our business districts.

Join in the fight. Give generously to the MARCH OF DIMES.

Acalanes Teen Talk

By HAROLD HARTZ

Reading, writing and arithmetic. Yep, we're all back to it again. What a way to end a good vacation and report cards are due pretty quick too. Some of the gang didn't do any of that vacation homework either. Somehow the teachers just don't like it.

Another thing that drives the average guy to madness is that new "1948" on the homework papers.

Getting down to something a little more serious it seems that Acalanes has had more than its share in bad luck and trouble. Just before we left on our vacation the chem lab broke into flames and now more recently a couple of our fellow students got banged up in an automobile accident.

Speaking of accidents there is a good way to get the blame off the teen-agers for a good number of the highway accidents. During the holiday season a few of our supposedly grown ups drink too much and smash into a few people. Soon it is passed off.

But just take a look at the newspaper stories the rest of the year. How do they read? "Teenagers—a reckless bunch of numbskulls. They never will learn how to drive carefully."

Of course, there are a few like that. But really not so many as it is said.

Now to get on to something a little more pleasant. Here is a tip on what's new and what's good for the teens over the airwaves.

No doubt some of you have often wondered what to listen to on those long Saturday afternoons. Well here is a little information on a swell program designed just for the teen-set. The program is "High School Hit Parade."

The Hit Parade is really a hit with the gang over in San Francisco. All the listener has to do is write his favorite tune on a post card and send it in to Don Pitts, the program's youthful master of ceremonies, and he in turn will play and dedicate it.

Architectural Plans for Expansion of Acalanes High Being Worked On

Expansion of the Acalanes Union High School plant moved two steps closer to realization, Neil M. Parsons, district superintendent, disclosed Wednesday.

Preliminary sketches for the new shop units were approved Tuesday by the board of trustees and forwarded to the State Department of Education for appraisal of educational adequacy. Earlier in the week, working drawings of a seven-room classroom unit, previously accepted by the board, and the State Department, reached their last hurdle, approval for structural adequacy by the State Division of Architecture.

Because of a backlog in the state architectural office, some delay in action is expected, Parsons pointed out.

The shop unit as accepted Tuesday composed two separate buildings. The larger provided an auto shop, wood shop, shop classroom, shop office, storage space and school maintenance workshop. The smaller unit consisting of a crafts shop and mechanical - drawing room, was built separately to save the expense of the two-storey walls which would have been required had these facilities been included in the larger building.

Mrs. Kilbourn's Father Died

Thomas I. Casey of Piedmont, father of Mrs. Douglas T. Kilbourn of Happy Valley, died suddenly Monday evening. He was visiting a daughter in Los Angels for the Christmas holidays, where an attack of influenza caused a fatal illness.

Mr. Casey was born in Oakland in 1875, and was active in civic affairs of Oakland and Piedmont. His occupation before his retirement in 1945 was mechanical engineer with the East Bay Municipal Utility District; and he was a member of the Fourth Degree Knights of Columbus.

He is survived by four daughters and a son, three grandsons in Los Angeles, and two grandchildren in Lafayette, Libby and Toddy Kilborn, whose "Papadaddy" was their only grandparent.

Funeral arrangements are being conducted at East Lawn Chapel in Oakland Friday at 9 a.m.

Redistricting Group to Meet

The county committee on redistricting will meet at the Walnut Creek grammar school auditorium Friday night to hear reports from three sub-committees from Acalanes, Mt. Diablo and San Ramon high school districts.

During the past month, the subcommittees have been forming recommendations on possible unification and redrawing of school district boundaries with a view to equalizing educational burdens throughout the area under study.

Pre-School Children Entertained at Brownes

A Pre-School party was held at the home of Mr. and Mrs. Ralph Browne of Brook Street, Saturday afternoon, January 3. Refreshments were served which included a large cake decorated with "Happy New Year".

Guests included: Bruce Browne, Bruce Wiseman, Robert Carey, Robert Barden, Gerry Smith, Ettore Bertagnolli, Chuck Bradshaw and Tommy Beatty.

NO HOST PARTY

A No-Host party was held at the home of Mr. and Mrs. Ernest Kittredge on New Years Eve. The evening was spent dancing and playing games. A midnight supper was served to all participating, including the Messrs. and Mesdames Wm. Hughes, Earl Long, George Ahlf, Leslie Soukup, Leon Bishop, Ed Eckwall, and Ernest Kittredge.

The law, as well as common sense, requires that drivers stop for school buses.

Jane Ann Westfall Hosts New Years Party

Jane Ann Westfall hosted a gala new years eve party at her home on Hough Street. With people coming in and out all evening the average count on the guests was around 15.

The party started at 9 o'clock and lasted until about one hour of the new year had been observed.

The guests included Gwen Ralph Don Duncan, Bill Janzen, Marie Inman-Kane, Rose Marie Williams, Connie Henderson, Marie Hansen, Howard Goodrick, Bob Hansen, Ed Rowell, Bill Zitt, Crozier Mauer and Robert Carlisle.

WEEKEND GUESTS

Visiting at the home of Mr. and Mrs. Maurice Price for a week was Mr. Price's father, Mr. Lawrence Price from Logan, Salt Lake, Utah.

"On The Air" KMS STATION

Presents — **FACT and *Fantasy***

Now that the holidays are over, it's time to buckle down to the serious business of starting a new year — or how many times have you already heard that?

Let's Reminisce

Lots of happy memories are being tucked away with the season's decorations; and we are satisfied it was worth all the effort. Some things we'll never forget: the children getting out their stockings Christmas Eve and trying to stretch the 5-inch feet; the exclamations upon seeing the packages and the decorated tree that Santa brought (!! — we almost saw the dawn); the warmth of friends in their greetings and visits; the round of parties. The combined solemnity and gayety of the season make a wonderful ending to each year.

Though Mommy got tuckered to the point of getting a heck of a cold, no one else in the family caught it, due, undoubtedly to our sanitary way of washing dishes—in a Kaiser Dishwasher, of course!

Seriously, the sanitary feature alone is well worth the moderate price that it costs to install one in your kitchen. Call us for an interesting booklet on the subject or for an amazing demonstration.

Could our Kaiser Dishwasher be the reason our friends decided our house was the best place to give a New Year's Eve party? Hmmm.

Diaper Scoop

The most heartwarming gifts we received and subsequently gave on to be given again (follow me?) were the baby clothes and packages of soap for the needy babies in Europe.

Response to an appeal in this column brought us enough clothing to practically fill the trunk of our Frazer Manhattan (27 cubic feet, no less). We delivered them to Ruth Anderson, sponsor of the drive, at her "Open House" in Dixon, creating the sensation of the party.

Many thanks to those who contributed; and for you who have delayed because of the holidays, the drive is still on. Just bring anything for babies that you can spare to the service station at Kilbourn Motor Sales, midway between Lafayette and Walnut Creek.

While you are there, "fillerup" with high octane gasoline at 2c off (cash!); and also ask for your entry blank in the $135,000.00 Kaiser-Frazer contest.

Keep it Clean

... with Bob Bennett

BOB BENNETT

THE FLESH of the sponge is weak and he has no spirit, willing or otherwise. That is why he is content to attach himself to a rock, or a bed of oysters, or a more or less stationary perch and stay put — drifting and dreaming — until the sponge diver comes along with the business end of a grappling hook. The sponge doesn't care much for this, but it makes it easy for the divers who belong to local No. 7 and don't dive into the Mediterranean Sea without hooks — or on Saturdays without overtime.

MEDITERRANEAN sponges are used by surgeons, who don't forget to take them out of incisions because they (the sponges) cost too much.

IN FLORIDA seas, sponges grow big because they get a lot of orange juice and that makes them swell for washing cars. See the sponges at Bennett Supply.

FOR VEGETARIAN bathers who don't want to slay to wash, we have have ersatz sponges from Sweden in big and little sizes. These are just dandy — it says so on the package — in Swedish.

ANYONE WANTING a sponge or a chamois — any type of broom — or a mop — a supply of household or commercial paper — a bale of rags — or a gallon or pint of detergent — etc., etc., can call us at Lafayette 2256. We answer the phone whenever it rings. Also we deliver.

Phone Lafayette 2256

Democracy to Be Demonstrated When Church Congregation Meets

Democracy in action will be demonstrated next Wednesday evening, January 14, when the congregation of Orinda Community Church meets for the annual business meeting at the Orinda Grammar School.

It will be share and share alike for the pot-luck cooperative dinner beginning at 6:30. The hearing of reports, discussion of problems, adoption of plans and selection of officers and committees is open to all interested persons of the congregation. Final authority in all decisions rests with the members of the group.

One of the decisions confronting the local church is its vote on the proposed merger of Congregational-Christian with Evangelical and Reformed Churches. A committee of the Orinda congregation has made a study of the "Plan of Union" and has voted to recommend an affirmative action on this proposal which would join the two American denominations into a new body to be called "United Church of Christ."

Heads of Boards, committees and organizations will present their reports following those of elected officers. A committee composed of Carrie Brown, Fred Elkington and Grace Hoecker are to present names of those nominated for various offices for the year 1948.

Mrs. John Ogden, retiring president of the Church Guild, has arranged organization of the supper, with Mrs. M. H. Groves as coordinator of meal arrangements. Those intending to be present for the meal should call her at Orinda 2286. Movies will be provided for children in another room following the supper and during the business meeting.

TRIP TO DESERT

Dr. and Mrs. Don White of Estates Drive took a grand trip to the desert, leaving right after Christmas and returning to Orinda last weekend. En route they stopped at Bakersfield Inn, Furnace Creek Ranch in Death Valley, and the Last Frontier in Las Vegas.

Paper Collection Center Secured

Through the efforts of Mr. Walter Nicklas, the A. J. McCosker Trucking and Grading Company are allowing the Pack 32 cubs to use a small building on their property behind the Orinda Garage for the year round collection of papers and magazines.

After the building is patched up and painted by the cubs and their Dads, a campaign will be launched asking the Orinda residents to drop their papers off there when shopping. Each week then one den will be responsible for cleaning up the building and tying the papers.

Psychologist to Speak to Group

The well known child psychologist, Mrs. Edna Turner, will address a joint meeting of the Orinda Girl Scouts committee, the Girl Scout leaders and the girls' parents on Thursday, January 15 at 11 a.m. at the home of Mrs. G. O. Knudsen at 20 Northwood Dr.

Mrs. Turner will speak on problems and psychology of group behavior among girls between the ages of 7 and 14 and will lead a general discussion at the close of her address. The regular committee meeting will precede the open meeting and is called for 10 a.m.

Homesickness Shortens Visit to California

Mrs. Retta Noyes had dreamed for years of coming to California. Her dreams finally materialized last month. Mrs. Noyes has been house-guesting with her niece, Mrs. Doris Wiseman on Los Arboles Road, for the past five weeks and had planned to stay on the West Coast until Spring.

We were sorry to learn that her visit was cut short several months by an overpowering homesickness and desire to return to her family. Mrs. Noyes left Wednesday to return to her home in Connecticut.

WIMPLE'S WOES— The usually jovial Fibber McGee and Molly lend sympathetic support to the unhappy Wallace Wimple (right), as he tells of the latest punishment inflicted on him by "Sweetyface" — his "big old wife." Jim and Marian Jordan play "Fibber McGee and Molly," and Bill Thompson is the harassed Wallace Wimple on the NBC comedy show.

LEGAL NOTICE

NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES

Jan. 3 - 48

To Whom It May Concern:

Notice is hereby given that fifteen days after the date posted, the undersigned proposes to sell alcoholic beverages at these premises, described as follows:

Moraga Hwy — Theater Bldg., Orinda

Pursuant to such intention, the undersigned is applying to the State Board of Equalization for issuance on original application of an alcoholic beverage license for these premises as follows:

On Sale Beer

Anyone desiring to protest the issuance of such license may file a verified protest with the State Board of Equalization at Sacramento, California, stating grounds for denial as provided by law. The premises are now licensed for the sale of alcoholic beverages.

Guild Members To Hear Speech of Rev. Morrow

Rev. Fred Morrow is to be the speaker and installing officer for the evening section of the Orinda Church Guild next Tuesday evening, January 13 at the home of Mr. and Mrs. Don Hunter, 10 Orchard Court, at 8 o'clock.

Officers who have been elected and who will be installed are as follows: President, Mrs. G. L. Harrison; Vice-president, Mrs. U. B. Smith; Secretary, Mrs. Robert L. Bigler; Treasurer, Mrs. Emitt Samon; Membership, Mrs. Fred Twining; Dorcas, Mrs. J. N. Abbott; Program, Mrs. S. M. Hudd.

Sociability and work are to be part, as usual, of the program. The group is open to all interested women, and has attracted a large number of those who find the evening hour convenient for their Guild activity, according to Mrs. Owen Jones, president during the past year.

12-15 Club Sets Meeting At Home of Mrs. Malone

The 12-15 Club plans a meeting for next Tuesday at the home of Mrs. Charles Malone on Loma Vista. Election of officers for the coming year will be held.

Brownies Proud Of Their Afghan

A glow of justifiable satisfaction in a job well done spread over the faces of the Brownies of Troop 35! It was their last meeting before Christmas and their leader, Mrs. T. P. Bacon, Jr., had just unfolded before them the finished afghan over which they had labored for many weeks.

It consisted of some 30, ten inch knitted squares made in many gay colors and crocheted together with the harmonizing warm brown of which a narrow border was also added.

Several days later the afghan was sent to Oak Knoll Hospital and between its folds lay a cheerful Christmas greeting including a picture of the Brownies themselves. No doubt some veteran confined to a wheel chair will find his days enlivened by the thought as well as the handiwork of these modern spirits of good will.

In charge of directing the entire project was Mrs. Warren J. Pollack, mother of Brownie Lynn. In addition to teaching the girls to knit, Mrs. Pollack arranged for supplies and did the work of blocking and assembling the squares with handsome results.

Many Couples Ring In The New Year at Club

Among the many couples enjoying the New Years Eve festive celebration at the country club were the King Wilkins with their guests from San Francisco, Mr. and Mrs. Brook Darlington.

At a no-host table, the Roy Adams, the G. A. Somers, and the Walter Woods joined the festivities.

Another group ringing in the New Year consisted of Mr. and Mrs. Fred Repp, Dr. and Mrs. C. Walter Cole, Mr. and Mrs. William Vaughan, Mr. and Mrs. Bert Kruger, Mr. and Mrs. William W. Paplin, Mr. and Mrs. W. W. Wilson, and Mr. and Mrs. F. C. Marquardsen.

MEXICO VACATION

Mr. and Mrs. Ray Devin, 28 Crest View Drive, and their two oldest girls, Mary Lou and Heidi Ann, spent ten delightful days in Mexico City over the holiday vacation. The Devins drove down to Los Angeles where they had Christmas with relatives, then flew with Pan American Airways to the Mexican capitol. The family returned just in time for the reopening of school on Monday.

MINOR OPERATION

Mr. Alfred Reck of 15 Los Dados, Orinda underwent a minor operation January 6, at the Herrick Memorial Hospital. Dr. Feiler is the attending physician.

AT HOSPITAL

Mrs. Elinor H. Dodge of 63 Irvine Drive, Orinda underwent an operation Tuesday, January 6 at the Herrick Memorial Hospital in Berkeley. Dr. Caygill is the attending physician.

The law, as well as common sense, requires that drivers stop for school buses.

Seven New Den Chiefs Appointed

Mr. Orr, Pack 32 cubmaster, advised that troop 207, Orinda Boy Scouts, have supplied the pack with seven new Den Chiefs. They are as follows: Den 1, Don Reid; Den 2, Tommy Higgins, Den 3, Joe Conley Jr.; Den 4, Jerry Verrick; Den 5, Howard Reach; Den 6, Mike Klement; and Den 7, Dick Wililams.

The den chiefs offer their cubbing and scouting experience, and maintain order for the den mothers.

Girls in New York During Snow Storm

Santa Claus gave Barbara Jean Warren of Camino Sobrante and her friend Joyce Shafsky a trip East for Christmas. The two girls left Orinda almost immediately after receipt of the gift.

They spent New Years under about 25 inches of snow on the Great White Way and sought warmth from the prolonged blizzard in New York's Beekman Tower Hotel where they had accommodations for their five day stay in the City. We certainly envy Barbara and Joyce having ringside seats to this record breaking snowfall — it must have been some experience.

New License Plates Now on Sale In Oakland, Martinez, Lafayette

The 1948 silver and red California license tabs went on sale to residents of Orinda and Lafayette last Friday morning. You will be able to renew your license without penalty if you apply before the close of business February 4 or your mail application is postmarked before midnight on that date.

The registration renewal office serving this area is located at the California Highway Patrol office, 930 Ward Street, Martinez or in Oakland at 1107 Jackson Street.

Private passenger car owners should bring their 1947 white registration certificates. If you have changed your address, print the new address on the 1947 registration card.

Your 1948 passenger car fee will be $3.00 higher and rounded off to the nearest dollar. The minimum fee for 1948 is $7.00.

If you intend to renew your registration by mail be sure that you send the correct amount and your 1947 white registration card to the Department of Motor Vehicles 12th and N Streets, Sacramento. Currency and personal checks must not be mailed. Postal, bank or express money order, certified or cashier's checks are recommended.

Members of the California Automobile Association may apply at Gavey's Automotive Service where C. E. Singleton, local representative, will be from 1 to 4 p.m. Monday, Wednesday and Friday.

National Automobile Club members should apply at Jack Hageman's office any day of the week.

—— This is to fill space. ——

Subnormal Rain Snow Reported For This Year

The end of the year finds the East Bay with subnormal rainfall and with no snow in the mountains, according to a report by Roscoe D. Jones, director of the East Bay Municipal Utility District.

Using figures from the Chabot Reservoir rain guage because this guage has been in service for over 50 years and provides long-range averages, Director Jones said the total rainfall for the season is 7.08 inches, compared with an average of 7.29 inches. There was heavy precipitation in October, less than an inch in November, and 1.13 inches in December.

The news is bad for ski enthusiasts. The mountains are bare of snow, with only a thin trace at Soda Springs, elevation 10,000 feet, where official measurements are taken by the State.

Pardee Reservoir, director Jones said, is now over 85% full. Consumption at this time of the year is averaging approximately 90 million gallons a day.

Canyon News

Mr. and Mrs. John Thune and family spent the holidays at the Sierra Club, skiing.

Mrs. Bert Baker and son visited friends at Santa Maria last week.

Mrs. Harry Rice and daughter, Mary, spent Christmas holidays in Bakersfield visiting Mr. and Mrs. Charles Ferguson, Mrs. Rice's parents.

Mr. and Mrs. J. B. Buman are spending the holidays visiting friends in Oregon and Washington.

Mrs. Virginia Curran went up to Soda Springs. Tried her luck at skiing. No broken bones reported.

Janet Pine visited Barbara DeTar in Lafayette over New Years.

Stork Wins Out as Former Lafayette Girl Gives Birth to Twins in Car

The stork won twice in a race to the hospital with the automobile of Mr. and Mrs. H. C. Knight in Everett, Washington, December 27. Mrs. Knight is the former Louise Corbett of Lafayette.

The mother and boys were admitted to the hospital at 7 a.m. at the end of the trip during which a stop was made for the arrival of the second boy. All are doing fine.

The first son arrived as Mr. Knight's car was leaving the driveway of his residence. He stopped en route to the hospital at the home of Dr. William J. Wagner for treatment. At this time the other son decided to make his appearance and did so with the assistance of Dr. Wagner. They then proceeded to the hospital.

Birthdays will fall on the same date for Mr. Knight and the twins, Tommy and Timmy — December 27th.

The proud grandparents in Tiller, Oregon didn't hear about the double gift until four days later as they live deep in the National Forest and phone lines were down. The grandparents, Mr. and Mrs. Horace Corbett, read about it in the paper and then drove 65 miles to phone and congratulate the happy family.

There are two other children in the Knight family, but three birthdays will fall on the same day in the Knight family. Today is also Mr. Knight's birthday. It is also the wedding anniversary.

Bornholdts Invite Friends To Christmas Supper

Dr. and Mrs. I. C. Bornholdt entertained 12 friends at a buffet supper Christmas party.

Couples present were Dr. and Mrs. Joseph Vizzard, Dr. and Mrs. J. Jensen, Mr. and Mrs. Stanley Bell, Mr. and Mrs. Huft, and Mr. and Mrs. Louis Fekete.

After dinner, Mrs. Bornholdt and Mrs. Vizzard sang solos, Dr. Bornholdt played the piano, and Mr. Fekete played the violin. The guests then all joined in community singing around the fire.

Do It Now

Grapes, berries, artichokes, asparagus and many other plants should be planted as soon as you have a place prepared for them. They will all help cut down on that food budget.

Tip Of The Week

Now for almost immediate color, the magnificent Polyanthus Primroses can be planted. These hardy perennials will give your shady spots color for many years.

A Look Into the Future

Can be had by looking through our catalogue and dreaming of what you could do with the plant material we now have on hand. Phone or write for a free copy.

Uncle Sam Says

What would $1,000 to $2,000 have meant to you at age 18 when you came face to face with the problem of fitting yourself for a business, profession or trade? Many youngsters, whose parents 10 years ago began to put aside a little each week for the purchase of U. S. Savings Bonds, have the advantage of such a nestegg this summer. You can start today to put your children in the class of "bonded graduates" of 1957—the boys and girls who will have the extra power in the race for success. *U. S. Treasury Department*

THE COST OF GAS AND ELECTRICITY IN YOUR HOME HAS GONE *DOWN*

It takes a lot of shopping around today to find a pre-war bargain. Practically everything in the line of home necessities, for example, has climbed steadily upward in price since 1939. However, there is one exception...the cost of gas and electric service has gone down and down in price.

Year in and year out your dependable gas and electric service has helped you run your home with money-saving and labor-saving appliances at rates far below the national average. And no matter how much other items in the cost of living may go up during this New Year, you can be sure that cost of gas and electricity will remain the biggest bargain in the home.

Acalanes Fives Face Alhambra From Martinez

Friday at 7:30 p.m. the Acalanes Dons and the Martinez A and B basketball squads meet on the Acalanes home floor marking the third league game for the locals.

Two Alhambra boys to watch will be Robison and Bickle. These two at forward and center positions respectively have each rolled up a score of 34 points.

Alhambra's record so far this season looks "pretty" good, with three wins and two losses for their A team and four wins and one loss for their able B team.

Coach Erwin Mattson's views on the subject are, "It's a game we've got to win, and I think we have a pretty good chance because the last time they beat us was in 1942."

Acalanes' record so far this season is four losses and three victories for the A's and for the B's five losses and four wins.

AMAZED! —Dr. Miller (Hans Conreid), the psychiatrist who lives next door to George Burns and Gracie Allen (in their NBC comedy script), heroically undertakes to analyze Gracie —with amazingly unscientific results.

DAZED! — Gracie's soul-unburdening is so chaotic that it defies analysis and blasts the psychiatrist's theories of treatment.

FAZED! — The doctor soon finds himself the patient as he pours out his confusion to Gracie, who confidently takes over as specialist in charge of this intriguing case—and applies her own system of analysis.

Acalanes Varsity Loses to Oakland Cagers, While Don Bees Win Again

The Acalanes varsity fell short of a victory in a basketball game played with Oakland High in the local gym last Tuesday afternoon, when the city lads put on a last quarter splurge to win by a final 42-35 count. The Don Bees won 35 to 31.

The game was fast and well played especially since both teams had but one day's practice after a two week layoff over the Holidays.

DONS LEAD AT HALF

Half time found the local team with a two point lead as the score board read 18-16.

A fourth quarter rally by guard Bob Fairman of Oakland proved the turning point as he hit seven buckets plus a foul shot giving him game honors with 15 points.

Marshall Freeman, the elongated Sophomore forward, was high point man for the Dons with four field goals and a charity toss for a total of 9.

BEES WIN AGAIN

The Bee tilt found the Dons retaining their winning ways as they played a top rate game to edge the Oakland reserves 35 to 31. Action was fast throughout with the winners maintaining an edge all the way. Mike McKee was the leading light as he tallied 8 points and was closely followed by teammates Ted Hall and Lynn Amason with seven digits apiece.

T.B. Seal Sale Drive Reported

A total of $27,388.13 received to date in the annual Christmas Tuberculosis Seal Sale was reported today by Mrs. C. R. Alexander, County Chairman for the Contra Costa Public Health Association. This is several thousand dollars more than was banked at this time last year and is encouraging to the workers in the Association who must soon begin making plans for budgeting income to support the 1948 program.

Mrs. Alexander reports the following Lafayette firms, to whom Bonds were sent who have contributed $10.00: Bill's Place, Garrett & Garrett, W. R. Gorman & Son and the Rotary Club.

The chest X-raying to find early unknown cases of the disease will continue in the Richmond area under the direction of the Richmond Health Department until March, Mrs. Alexander said. Then industries and High Schools not visited in the fall will have their turn, and the Annual re-Xraying schedule all over the County will continue. We keep 85% of all Seal Sale money in Contra Costa County. Persons who have overlooked sending their gray envelopes back may still do so, as the Sale does not officially end for some weeks yet.

SPORT NOTES

By Erwin Mattson

Our guess is that but a small percentage of high school games are correctly timed. This applies to football and basketball alike. The innovation of spectator visible timer clocks has gone a long way toward making for better timing but still leaves plenty of room for improvement.

Too often the individual operating the all important deivce is not well enough informed on the correct procedure to be followed. The real solution we honestly believe lies in an additional official to operate the timing of the game which is as important as any other officiating job.

MATT PREDICTS

We predict that like other improvements, such as the moulded ball and glass backboards, it will take time, but will eventually be adopted.

Competitive athletics are a definite part of the American way of life and as such demands constant improvements in its adminstration.

NO. 1 SPORT!

Basketball today is watched and participated in by more people than any other sport. It is really the All American game and appears to be the sport which is most likely to have world wide appeal as other countries have taken to it with great enthusiasm.

Someday will find a real world series in the field of basketball.

NEW SANITATION

A new idea is being inaugurated on the local hardwood this Friday night when a towel rack will be put on display for the first time.

The use of a common towel is not a good sanitary practice and the use of the gadget is to provide each player with his own private towel.

The rack carries five towels which are individually labeled and are changed as players enter and leave the game.

Painted blue and white it should provide added color to the game as well as being a practical addition for the benefit of the players.

VISITS IN LAFAYETTE

Lynn Melcher, a former resident of Lafayette, and now living in Oakland, visited old friends here recently.

Assembly Dance Held Saturday

Last Saturday evening the third Lafayette Assembly dance for the young people of this area was held at the Memorial Hall in Lafayette. These dances are supervised and run by Mr. John D. Preston and Mrs. C. H. Bissell,, wife of Dr. Bissell of the University of California.

The dances are held on the first Friday of each month. Mr. and Mrs. Freeman and Mr. and Mrs. Baldwin of Lafayette have been most active in getting these dances started. A good crowd of about 150 high school students show up for this series of eight dances. Music is from recordings and refreshments are served in the snack bar in the basement. This last dance being the third of the series leaves five more to go.

"Of all the assembly dances I have had a part in starting, the students in this area were the best mannered and most helpful," Mr. Preston said. He has helped to start such dances in many towns.

Student committees helped on everything from entertainment to refreshments. Skiing films of the committee's choice were shown at 10:30 p.m.

The law, as well as common sense, requires that drivers stop for school buses.

VISITS POWELLS

Mrs. H. W. Putnam of Piedmont is visiting with Dr. and Mrs. Alvin Powell.

Lorraine Eckwall, Richard Olsen Married at Santa Maria Church

Beautiful Santa Maria Catholic Curch in Orinda was the setting of the marriage of Lorraine Marie Eckwall and Richard W. Olsen, last Sunday afternoon.

The bride was given in marriage by her father, Mr. E. O. Eckwall, and was attended by her sister Carolyn who was the maid of honor.

The bride wore an ice blue suit and a white flowered hat. She carried a white prayer book with a cascade of orchids and bouvardia.

Carolyn, the maid of honr, wore a light grey suit with matching hat. Mrs. Eckwall wore burgundy crepe and Mrs. Blachly wore a grey ensemble. Their corsages were orchids.

The groom was attended by David Kepler of Walnut Creek who was best man. Ushers were: David Penna and Vincent Burns, brother-in-law of the groom.

The groom is the son of Mr. and Mrs. Claude Blachly of Richmond and is a student at St. Mary's College.

At the church, just before the ceremony, Mrs. Jean Hayden of Albany, a close friend of the family, gave a very beautiul rendition of "Ave Maria."

The reception was held at the home of the bride's parents on Brown Avenue, after which the bride and groom left for their wedding trip, keeping it a secret.

The bride's going away suit was emerald green with black accessories. The young couple will be at home in Orinda on their return from their honeymoon.

YOUR HOME OF TOMORROW

A woodland setting adds charm to this home designed for modern living.

SIMPLE LINES and a low-pitched roof give this modern home functional character without the austere appearance of many contemporary plans. Its design blends well with any type of city or suburban setting.

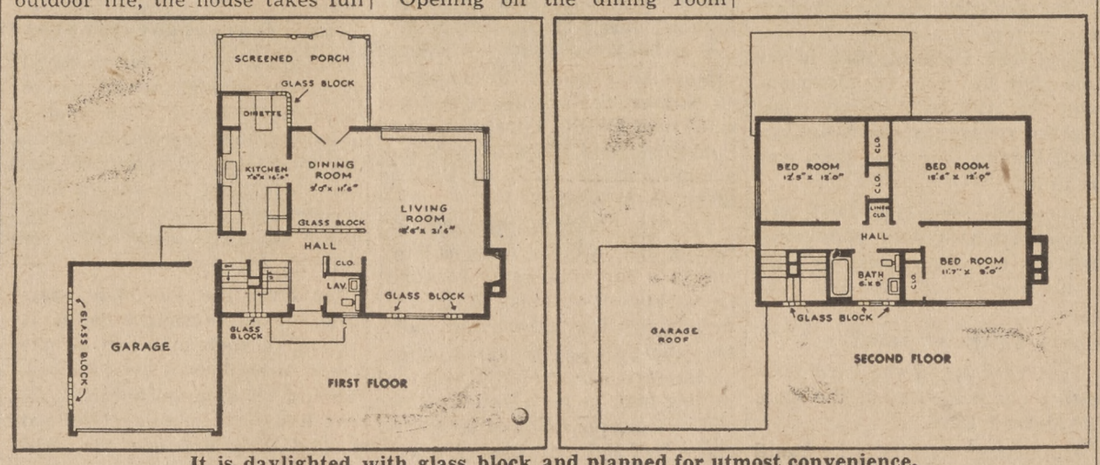

The three-bedroom plan makes the house ideal for an average size family. Compact arrangement on two floors makes it adaptable to building lots of the usual size.

Designed to combine indoor and outdoor life, the house takes full advantage of glass block which extends a story and a half from the stairway landing to the roof line. By day the non-transparent block bathes the entire stair well in cheerful daylight. Interior lighting at night adds a dramatic appearance from outside.

Three well proportioned bedrooms and a bath take in the second floor. They are connected by a hall which gets daylight from the stairway.

The kitchen is laid out on the corridor plan, with work areas and facilities on two sides. It is well isolated from the living room and dining space. A dinette occupies one rear corner of the kitchen, leaving a built-in storage space in the other.

Opening off the dining room separate it from the entrance hallway is a floor-to-ceiling panel of glass block which hides the view of the hall but permits light to flow through.

It is daylighted with glass block and planned for utmost convenience.

Mens Garden Club Has Meeting

The Mt. Diablo Men's Garden Club nominated officers for 1948 at its monthly dinner meeting held in Walnut Creek last week.

Dr. C. L. Feiler was proposed for re-election as president. Other nominations included R. F. Bergstrom, Martinez, vice-president; G. Donald Freeman, Concord, secretary; and W. F. Gallagher, Martinez, treasurer. Elections will be held at the January meeting.

Injured Students Now Improving

Bob Bowbeer, son of Mr. and Mrs. Earl Bowbeer, who was seriously injured Sunday night, December 28, one-half mile west of the Broadway Tunnel, is improving rapidly, according to his mother, Mrs. Earl Bowbeer. Lois Hafer, who was also injured in the accident, is getting along nicely also.

Bob is in the Alta Bates Hospital in Berkeley. Dr. Gerow is the attending physician. Lois Hafer is in the Permanente Hospital with Dr. Beede of Walnut Creek attending.

Population Less Than Last Year

Contra Costa County's population for January, 1948, is 400 less than the estimated population for January, 1947.

Population estimate for January, 1948 is 291,300, as compared with 291,700 for January, 1947, California Taxpayers Association said this week.

The population estimate for 1948 is up 190,850, or 190 per cent from the 100,450 population of the county at the time of the April, 1940, census.

Notes and Quotes in Lafayette

RELATIVES VISIT SHIPLEYS

Mr. and Mrs. A. E. Roberts of San Diego, parents of Mrs. William Shipley of Los Arabis Drive, and Mrs. R. B. Hall of Cloverdale, her aunt, have been guests at the Shipley residence these past two weeks. Mr. and Mrs. Roberts left for San Diego Monday. They were accompanied by Mrs. Hall, who will visit them for a month before returning to her home in Cloverdale. Dinner guests at the Shipley home last Sunday also included Mr. and Mrs. Eugene Roland of Oakland.

NOWAKS PARTY

Ronny Nowaks New Years eve party turned out to be quite a success with a large number of kids coming in and out all evening. A few of the guests that were present when the New Year rolled around were Don Wells, Sue Druhe, Nancy Tinkim, Lonny Thomas, Sue Kilgo, Diane Ludlow, Laura Lamborne, Jim Selby, Myrna West, Roland Van Duvander, Rodger Sodero, Buford Feagans, and Ruth Maloni. All guests attend Acalanes. The party was held at the Nowaks home on Reliez Valley Road.

HOLIDAY TRIP

Mr. and Mrs. Louis F. Winkler of Lower Happy Valley Road recently returned from a trip made to Los Angeles, where they visited with their daughter and son-in-law, Mr. and Mrs. G. P. Higgins, over the Christmas holidays.

HOUSEGUEST

Dale Glatt was a houseguest at the home of Mr. and Mrs. Ernest Kittredge for a week. Mr. Glatt was from Camptonville, California.

UNDERGOES APPENDECTOMY

Lola Stevens of Mt. View Drive had her appendix removed at the Herrick Memorial Hospital December 26th. She is convalescing at her home following the operation.

GUESTS AT HARRINGTONS

Dinner guests at the home of Mr. and Mrs. John Harrington on Moraga Blvd. last Sunday were Mr. and Mrs. Robert Borneman and small daughter, Carolyn Jane, of Hayward. Mr. Borneman is a well-known undertaker there.

ATTENDS MEETING

Karl T. Goeppert, a member of the State Advisory Council in Employment Services, is in Los Angeles attending a meeting of the Council.

SHORT VISIT

Col. Lloyd W. Goeppert, brother of Karl T. Goeppert, will arrive here this week end for a short visit upon disembarking from the General Patton. He has been stationed in China and served on the Army's advisory staff to the Chinese government. He returns after 12 years' service and will report to El Paso. He is an expert on anti-aircraft.

Educational Talk Set For Sunday

At the morning service of Orinda Community Church next Sunday, January 11, worship will be led by the minister, Rev. Fred Morrow, and music is under the direction of Forrest Honnold, with Virginia Baker accompanying.

An educational sermon relating to the proposed denominational merger will occupy the second part of the worship hour. Local, area and state groups are being asked to vote separately on the proposal to form a "United Church."

Return to school will bring the Sunday school back in force, again taxing all space in the three centers devoted to this activity at 9:30 Sunday morning. Young people will meet at 7 o'clock at the church center, 100 Orinda Highway.

Guild Meets at Home Of Mrs. Lance Barden

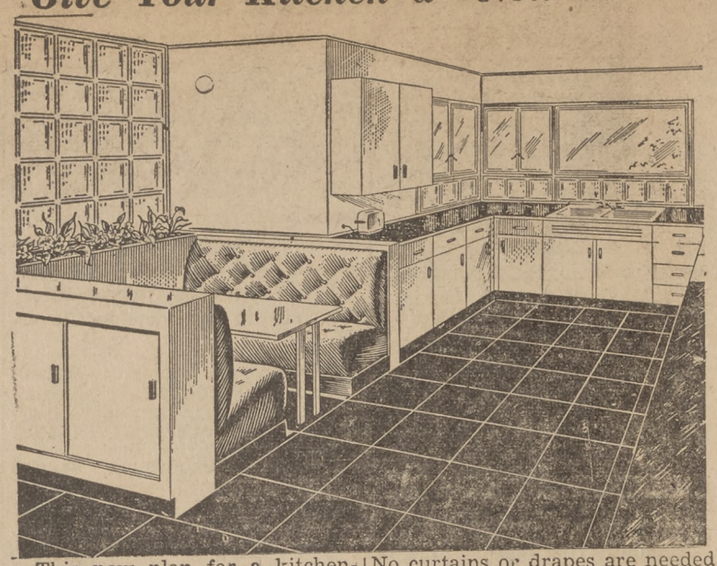

The Guild of the Community Church met Tuesday at the home of Mrs. Lance Barden, 119 Orinda Highway.

Mr. Mears, father of President Mrs. John Ogden, was the speaker. He is an eminent business man and church layman of Minneapolis. Installation of officers was held at the meeting.

VISIT JANSSES

The Jack Jansses of Camino Sobrante had as their house guests for a few days last week Mrs. Du Four and her son Steven. The Du Fours are from Watsonville.

Give Your Kitchen a "New Look"

This new plan for a kitchen-dinette is easily adapted to an old home, particularly one with an oversize kitchen. It can also be followed in remodeling to combine a kitchen and dining room.

The dining area is recessed so that it takes up none of the kitchen space. Its alcove may be formed economically by existing partitions or built-in cupboards.

In the above sketch the seats and table are permanently installed. This keeps them neat and permits installation of extra storage space in a cabinet behind one of the couches. The cabinet top provides shelf space for decorative pieces or flowers.

An old window area usually provides a ready-made opening for a panel of glass block. In this installation it performs the double function of daylighting most of the room while shielding the dinette from the view of outsiders. No curtains or drapes are needed on the panel.

Another smart use of glass block is indicated above the work counters and sink which are efficiently arranged in U-shape to save steps. A strip, one block high, beneath the picture window and casements directs daylight right where it's needed. The strip, if desired, can be made part of a panel in the wall behind the cabinets to daylight their shelves.

Besides adding decorative touches and functions to the kitchen, the block saves time and money. Insulux glass block has insulating qualities which prevent excessive heat loss in winter and practically prevent the "sweating" usually prevalent on kitchen windows in cold weather.

The block comes in three standard sizes and a variety of patterns. It never requires such maintenance as painting, and an occasional wipe with a damp cloth keeps it sparkling.

Mrs. Henry Donovan Gives Birthday Party in Honor of Daughter Susan

Mrs. Henry Donovan of 2 Woodland Road, entertained a group of children and their parents at a birthday party given for her daughter Susan, who celebrated her fifthh birthday, Tuesday afternoon, December 30. A cocktail party was held later in the day for the parents of the children.

Those present were Susan Donovan and her brother Michael, Margie Williams, Billy Brailsford, Kathy Oliphant, Marjorie DeLos, Nana Horton, Julianne Edelin, Nan Lee Fitzsimmons, Billy McGuire, Jock and Ann Bannister, Keith St. Clair, Syndy Rasmussen, Patty Noonan, Bruce and Dickie Wiseman, and Susanne Lindsley, Peter, Barry and Richie Schlaman.

Parents attending the party were: Mr. and Mrs. George Horton, Mr. and Mrs. Harry Oliphant, Mr. and Mrs. Douglas Williams, Mrs. J. Fitzsimmons, Mrs. Wm. McGuire, Mrs. Boyd Edelin, Mrs. Lindsley, Mr. and Mrs. Joseph Noonan, Mr. and Mrs. Russell Cleu, Miss Diane Cleu, Mr. and Mrs. John Bannister, Mr. and Mrs. Jack Breuning, Mr. and Mrs. Edmund Heritage, Mr. and Mrs. Fred Schlaman and Mrs. J. J. Krieg, grandmother of Susan and Michael.

Legion Dance To Raise Funds for March of Dimes

"Let's dance so that others might be able to walk" might well be the motto of the Lafayette American Legion, sponsors of a March of Dimes Dance Saturday evening, January 17 at the Memorial Hall.

Proceeds of the ticket sales will be added to Lafayette's contribution to the March of Dimes, Mel Nielson, dance chairman, announced this week. Tickets, at $1 per person, are on sale at Richards Drug Store, Lafayette Pharmacy, Wilson's Plumbing, Signal and Union service stations.

Sweet and swing will be provided by Sammy Leco and his five-piece orchestra.

The dance was originally scheduled for this Saturday night, but was changed so it could be held during the March of Dimes campaign.

Fire Ravages Lafayette Home

Just before midnight Wednesday night, fire raced through the four-room home of Mr. and Mrs. Ted Hepler on Reliez Station Road, completely gutting the structure.

Two trucks from both the Lafayette and Walnut Creek fire departments answered the call and had the flames under control within 10 minutes, but the house was completely in flames upon their arrival. Flames were shooting as high as 75 feet into the air, according to Fire Chief Shirley Peakes, who termed the house a "complete loss." The fire was of undetermined origin, he said.

Here and There in Orinda

NEW YEARS PARTY

Mr. and Mrs. Leon Woolsey held a New Years Eve party for about four couples at their Orinda Highway home.

PLEASANT EVENING

A pleasant evening was had at the Jack Jansses last Saturday evening. The following people were among those present. Mr. and Mrs. Irvin Frasse, Mr. and Mrs. Burt Quilty, and Mr. and Mrs. Edward Kelly. The Kellys recently moved back here from New York. The other guests were from San Jose.

ATTENDS CONFERENCE

Dr. R. E. Dullum, 201 La Espiral, has been invited to join with other California veterinarians and many nationally-known veterinary medical authorities in a double-barreled attack on the food waste problem. The drive to stretch meat production in spite of the shortoge of grain feeds will be launched at the mid-winter conference of the California State Veterinary Medical Association to be held at the California State Polytechnic College, Jan. 5-7.

HOME FOR THE HOLIDAYS

Tom Snook was home over the holidays to visit with his parents at their Orinda home. Tom traveled from the Naval Air Station at Nom Island, San Diego.

TRIP TO LOS ANGELESE

Nancy Carlson and Rita French of Orinda went with their parents on a late holiday trip to Los Angeles. While down there the Carlsons stayed at the Plaza Hotel and the Frenchs' at the Ambassador. A tour of the RKO studios was taken. The Rose Bowl was really the center of attraction for the two Acalanes students.

DANCING PARTY

Ann Ward who is in the seventh grade at the Orinda Grammar School held a party and dance for some of the members of her class. The party was held at her home last Thursday evning.

A few of the guests were Tommy Morrish, Judy Johnston, Ned Druhe, Katherine Monroe, Ben Randall, Bill Connly, Judy Hall, Stanley Pedder, and the hostess Ann Ward. Games, dances and refreshments made up a swell evening for the kids.

PARTY HONORS MISS RHEEM

A New Years Eve party was given in honor of Constance Rheem, daughter of Richard Rheem, by Lynn Johanson. Miss Johanson is the daughter of Mr. and Mrs. Carlton Johanson. The party was given in their East Bay home.

RECUPERATING

Elmer Remmer of 25 Irvine Drive, is recuperating at home after being confined to the Herrick Memorial Hospital, in Berkeley, with a slight touch of pneumonia.

MOVE TO NEW HOME

The Richard Dunnigans have moved into their new home on the corner of Oakwood Road and Orchard Road in Orinda. Their children are Diana and Patricia.

NEW DINING ROOM

The Country Club dining room will be closed until the first week in February until a new kitchen is installed. Modern equipment, all stainless steel, will be installed.

NEW HOME

Mr. and Mrs. Richard DeKay and baby have moved to their new home on El Toyonal last Saturday. They have been living in an apartment at Mrs. William Platt's home. Mrs. DeKay is Mrs. V. N. Savales daughter.

DAUGHTER HOME

Bill Savale and Sue Savale, son and daughter-in-law of Mr. and Mrs. V. N. Savale, have been visiting from Reno over the holidays.

LEAVING FOR TRIP

Mr. and Mrs. Savale are leaving Monday for a trip to Los Angeles, Palm Springs, Arizona and El Paso. They expect to be gone about a month.

HAS OPERATION

Mr. Robert J. Maddox of La Espiral Ave. underwent a major operation January 3rd at Herrick Memorial Hospital. The operation was performed by Dr. Feiler of Lafayette.

PROUD PARENTS

Mr. and Mrs. Bert A. Sullivan are the parents of a new baby boy, James Edward, born at Herrick Memorial Hospital December 10. They live at 516 El Toyonal Road.
